

Sons of the American Revolution®

WASHINGTON STATE SOCIETY COLOR GUARD.

Do you have a patriot ancestor that fought or supported the American Revolution?

WE WANT YOU FOR COLOR GUARD

Would you like to bring history to young students?

Would you like to help us recruit new SAR members?

Would you like to welcome new citizens to America?

Can you see yourself marching in a local parade?

Or welcoming Veterans returning from an Honor Flight?

Or participating in a local memorial service

The Washington State Color Guard is growing rapidly with over 70 uniformed members, and is involved in many community events and activities.

There is no thrill like the accolades you receive from huge crowds at the major veteran's parades, or the thrill of receiving two dozen thank you notes written fondly by 5th graders telling how much they liked your presentation, or the quiet feeling of satisfaction for serving our military veterans.

Would you like to get your feet wet? We have loaner hunting frock uniforms for you to try, free of charge!

All Compatriots of the SAR are eligible to help us bring History, Education, and Patriotism to the public.
